

Long Live Snowboarding

Jackson Hole Snowboarder Magazine is a legendary & beloved independent snowboarding magazine with a storied history. It's also one of the premiere snow publications in the world: beautifully designed, perfect-bound, and filled with incredible adventure stories & gripping photography. We produce one big issue every winter and distribute it for free throughout Jackson Hole and the Tetons. We also have a rapidly growing base of paid subscribers across the United States and Canada. Every issue lives on coffee tables for months and often finds a permanent spot on bookshelves.

We do one epic issue every winter.

For **eighteen years** now JHSM has been the annual chronicle of snowboarding in the Tetons. We explore tough issues right next to stories of adventures and stoke. This season we're devoting our issue to **re-connecting with the sheer joy of riding**.

ISSUE EIGHTEEN THEME:

THE AFTERPARTY

- Stories about finding the fucking fun again
- Staying positive & stoked in this crazy world
- Tales of travelling, partying & wild times
- Highlighting music & art
- Finding hidden gems of Jackson Hole's scene

Print Ad Requirements

MAGAZINE TRIM SIZE: 8.5" X 8.5" (SQUARE)

BINDING: PERFECT BOUND

FILE TYPES AND DELIVERY:

- Print-optimized PDF files
- Prepare files to JHSM's specs in accordance with SWOP specifications. If the below guidelines are not met, the color and quality of print reproduction may vary

FILE SPECIFICATIONS/GENERAL GUIDELINES:

- Include/embed all fonts and artwork
- Max density (total area coverage) is 300%
- Image resolution is 300 dpi minimum
- CMYK color only. No spot colors. RGB elements must be converted to CMYK
- Files must be single pages or spreads, no multipage files
- Do not nest PDF files in other PDFs, EPS files in other EPSs
- Do not use illegal characters such as ("()*&^\%\$#@!'{}[]|\',;; in file names

DOCUMENT SETTINGS:

- Ads should be built at 100% trim size
- Bleed should be set to 1/8" (.125") on all sides
- Keep all content 1/4" (.25") inside trim dimensions on all sides (SAFE AREA)
- Do not save files with any printers marks (crop marks, etc)
- 2-Page Spread Ads: keep all text and important content 1/4" (.25") away from either side of center or 1/2" total across the gutter

FONTS:

- Fonts must be properly embedded or outlined. MISSING FONTS WILL REQUIRE CORRECTIONS
- Do not apply type styles to basic fonts, use the actual font
- Fonts should always be vectors. Use a program like InDesign or Illustrator to add type to ad not Photoshop.
- Single color type and line art should not be less than .004" at the thinnest area. General guideline is nothing thinner than the equivalent of a hairline rule.

PROOFS:

• JHSM does not accept color proofs. SWOP proofing standards are used Press side for publication printing. Advertisers should calibrate their proofing devices to Industry SWOP Standards for Publication Printing. Refer to www.swop.org for additional information.

We charge a \$200 fee for all ad corrections
